

Struggling to get to work? We can help!

Project Ride helps low-to-moderate-income Monroe County New York residents overcome work-related transportation barriers.

After you complete a four-week employment and financial training, and receive assistance with your employment journey, you can gain the opportunity to receive financial assistance towards:

- Driver's license
- Driving lessons
- Car repairs
- Car purchase
- Car insurance

Scan below for dates of upcoming info sessions!

Or call: 585-565-3411

Project Ride is operated by Consumer Credit Counseling Service of Rochester. This project is supported, in whole or in part, by federal award number SLFRP0206 awarded to Monroe County, New York by the U.S. Department of the Treasury.
